VILLAGE PLAYHOUSE IS PARTING WAYS WITH INSPIRATION STUDIOS

With gratitude and optimism for the future, we announce that as of June 30, 2021, Village Playhouse will no longer be the resident theater company at Inspiration Studios.

The upcoming 2021 – 2022 season will see the Village Playhouse utilizing a variety of theater spaces throughout the Greater Milwaukee Area. While we may still occasionally perform at Inspiration Studios, it will no longer be our permanent home. We are confident this change will allow both Village Playhouse and Inspiration Studios to take on new opportunities and grow in ways that aren't possible within the context of our current arrangement.

On this occasion, we must express our gratitude to Erico Ortiz and Inspiration Studios for providing Village Playhouse with dedicated rehearsal and performance space these past seven years. In a community that has more theater companies than theater venues, the space at Inspiration Studios allowed us to do many great things that would not have been possible otherwise.

Over the next two months any and all support possible, both financially and with the physical act of moving, will be greatly appreciated. As decisions are made and timelines finalized, we will post opportunities to help on our website and social media. We appreciate your support during this transition and look forward to continuing to bring you the quality theatrical productions you have come to expect.

Thank you for your support of live theater in West Allis (and beyond)!
